

PUPA EXPLORES THE WORLD

Pupa Explores the World
is an **interactive aid** for children
with disabilities aged 3 to 7.

The aid is intended for families
with **early aged children** who
have **visual difficulties, autism,**
neurological impairment or
mental and physical disability.

We **innovatively** connect
the knowledge of working with
visually impaired children and
children with **autism**.

The set includes **four books, a Pupa guide, 17 picture cards, a doll furniture set**
for the bedroom, a **paper room** made of cardboard, a **manual, a video manual,**
and a **black sheet**.

For more information about
the aid, please **visit our website**.
